3,5" Multi Media Player

This media player is your personal storage box carrying all your favourite music files, photos and movies. Thanks to a large storage capacity and easy set up, you can connect it directly to your TV and select anything you would like to watch or hear. Just simply connect the CM3S to any TV in your home, hotel or at your friends and you can enjoy your own digital entertainment. The player works standalone (without computer).

Highlights

- Playback all your digital media (movies, photos and music)
- Optical digital audio output for perfect home cinema experience
- Plays DVD menu (IFO) and subtitles (SRT/SMI/SUB/SSA)
